[User]:For the Texas 2k grid, show me the network topology

Plan to be executed:
Visualize the Texas 2k network topology using server plot.
STEP 1: Use server plot to visualize the Texas 2k network topology.

[plot] → `Visualize the Texas 2k network topology`

{"result":"D:\\Dev\\script\\network.png","saved":"D:\\script\\pickle\\NET.p"}

Run DC opf and show me the optimal generation profiles and generation costs
